The jury consists of representatives from all fields of study (nominated by the heads of department) and two external members (nominated by the Senate). This award is intended to honor Fügert's major concern that drawing should play a central role in artistic education.

- The works must be **hand drawings** (without exception) and must not exceed the format 1m x 1m. (Note: only one work per applicant - no cyclical work; painterly works on paper are also not permitted).
- If sketchbooks are submitted, it must be clear which side (left or right) is meant.

The **applicants** have to **register** at the office of the respective institute. The exact deadline for registration will be posted at the respective institute. A list of the applicants must be sent by the office managers to the Registrar's office by Monday, June 14, 2021 at the latest.
