

What is the kùltūr gemma! award?

The kùltūr gemma! award is an initiative that supports migrant artists with their projects. The selected projects will be realised in one year with a grant of 1000€ per month. The focus is to promote relevant artistic positions and raise questions of working conditions in the cultural field.

What kind of project ideas?

kùltūr gemma! is looking for artists with strong voices. We are interested in projects from any kind of art discipline. This means, for example, that a poetry volume is just as welcome as a street art intervention, a Super-8 film, a fashion show, or a concert. Any subject or topic is welcome, there is no specific thematic focus (e.g. migration).

All languages welcome!

kültür! gemma! FELLOWSHIP

FOR
MIGRANT
ARTISTS

SEND IN YOUR
CONCEPT BETWEEN

7th AND 27th OF JANUARY

What is the **kültür gemma!** fellowship?

It is an initiative that gives fellowships to artists or cultural workers with a migrational background at various institutions in Vienna over a time-span of 7 months with a budget of 1000 Euros. Dealing critically with the cultural institution regarding their traditions, practices and politics is an important part of the commitment to the project – with the aim of widening and changing the cultural field from a migrant perspective. The fellowship program aims at developing and testing productive formats for this research and reflection.

Describe your motivation and concept!

To apply please include

- motivation letter (max. 1 page)
- concept for your engagement (max. 1 page)
- Your biography (max. 1 page) // All languages welcome! //

Who can apply?

kültür gemma! is looking for candidates that have a specific institution in mind that they would want to work with for 7 months. Those who bring specific qualifications and motivation to the table to deal with the respective institutions in a critical manner and are open to publicizing their thoughts and recommendations. From the application we can determine where the candidates wish to work, and what their specific interests and qualifications are, what questions they seek to ask and what concepts they have developed for the research and reflection at the respective institution.
